

Achieving Accreditation

In developing the Sports Accreditation programme, training for the first cohort of accredited podiatrists was conducted face 2 face. With the first program completed, we have been able to vary the process and have identify equivalent training offerings as acceptable to meet the C.P.D requirements of accreditation.

Training Modules Required	Acceptable Training
Fundamentals of Sports	<ul style="list-style-type: none"> PodiatryNZ Face to Face, Craig Payne, or Craig Payne e-Learning Modules (purchased from PodiatryNZ), or Postgraduate Diploma in Sport and Exercise Medicine (PGDipSEM)
Advanced Orthotics Training	<ul style="list-style-type: none"> PodiatryNZ Face to Face Advanced Orthotics Training, or Craig Payne Bootcamp (online and/or in person), or Equivalent – training must cover “advanced orthotics” (approved on application to PodiatryNZ) <p>N.B. PodiatryNZ Face to Face module will be held as Sports Workshop prior to May 2020 two-day Assessment in Auckland.</p>
Two-day Assessment Training	<ul style="list-style-type: none"> Compulsory attendance – no alternatives. Held annually in May.
On-line Assessment	<ul style="list-style-type: none"> On completion of all training modules, participant must successfully complete on-line assessment – 80% pass rate.
